

how to use

Marvelous Marianne's

SkinSafer Barrier Skin Cream

- 1 Apply SkinSafer before you begin to work.
- 2 Take a dab—it's concentrated—and work into your skin.
- 3 It dries and feels like a matte finish; won't hurt art materials.
- 4 Makes for easy cleanup. Your skin will feel great, not dry or cracked.
- 5 Made from palm compounds and peppermint.

Marvelous Marianne's products, made from true green ingredients, were invented for many uses. Artists love them!
